PLEASE NOTE: For individuals who have previously completed the **Lead Renovator Initial Certification** in compliance with the Renovation, Repair, and Painting (RRP) rule, the **4-hour Refresher Course** is required to renew your individual certification. RRP recertification is required every five years in states under EPA jurisdiction. We will provide you with all the current information you need to successfully and safely perform RRP work in the field. This course is approved for purposes of certification under Section 402 of TSCA. Renovators that do not complete the Renovator Refresher training course by 5 years after the last day of their training must complete the initial Renovator training course again.
