Non-employee Access to OIT Services

Who needs this?
Occasionally a non-employee will need to participate in UT programs that require using online resources. For example, a visiting scholar or student may need a NetID to access Canvas, or other UT Services.

Obtaining a NetID and Access to OIT Services.
There are two web forms located on the OIT forms page.

- Form 1: Request a NetID (Network Identifier) for a Person (Link)
- Form 2: Request to Sponsor a Person for OIT Services (Link)
- These automatically expire at the end of the fiscal year (June 30th)
